## Service

Being of service to a person, group or a community means doing something for others without expecting any reward in return. It also means helping people out when they cannot complete a task by themselves. Engaging in a community service project is one way to be part of your community. Service has a lasting, positive impact on the people we help and the way we feel about ourselves. Giving up your time for your community can have a much bigger impact.

### Virtues -

**This week's virtue is "Service".**

### Foundation stage -

This week we will be practicing for our class sports day, the children will choose the races they want to do.

On Thursday we are planning a slip-slide for our Forest schools session please can you pack your child with a towel and change of clothes.

In maths, we are focusing on sharing using classroom objects and reading the story, "The Doorbell Rang" By Pat Hutchins.

### Key Stage 1

**Seahorses** - Seahorses loved Art Week last week. They learnt how to make a string print and then printed their portraits. They mixed yellow and red to make an orange. They then chose which shade of orange to use for their print. In maths they were also busy weighing items and using words lighter, heavier, lightest or heaviest to compare the mass of objects. They then chose non standard units to measure the mass of items. This week the children will be doing some more printing using potatoes and will try to print 2 colours on top of each other. In topic this they will also be learning about Neil Armstrong.

**Turtles** - During Art week, the children have practised printing. They started by making a string spiral, painted it and then practiced printing this on different coloured paper. Hopefully, these have arrived home. The next stage was to use the string to make their own portrait. This was tricky but the children worked hard and we completed these on Friday. The final printing stage will take place this Monday. The results will be on display in the school hall for everyone to see in the next academic year. As well as this, the children learnt about Amy Johnson in History and continued to improve on their paper planes for the rest of the week! We also continued our work on telling the time in maths and I am seeing a definite improvement in their ability to do this. Thank you parents for helping build a large supply of 'pringle' boxes. I am hoping to get a chance to put these to use in the coming week.

### Key Stage 2

**Year 3/4** - The children had been working hard on learning time in math's. If you have any opportunity at home, please ask your child to read the clock and get them to tell you the time, especially analogue and using minutes. The children enjoyed Art Week and they have completed a sequence of work relating to cubism. As a finished piece, they drew their own portraits and applied the cubism ideas. Their finished designs were shared during assembly. In literacy this week, the children will be looking at creating their own sequel to a book they have designed. Finally, we have started working on transition activities where the children are already thinking about questions they may have. Their new teachers are very excited to receive them and answer as many as they can.

**Year 5/6** - An eventful week for year 5/6! Firstly, we would like to say a big well done to all the children who've needed to learn remotely for the past week- engagement has been great and we are so proud of you all. Parents, thank you for your support with this. The children in school enjoyed art week and have produced some fantastic self-portraits. Unfortunately, some of the events we had planned were postponed, but we hope to rearrange these soon. Herons had a super surf day on Friday- we were really impressed with their enthusiasm and positive attitudes throughout the day.

**COVID Self-Isolation & Testing Information** - It is vitally important that guidelines are followed when it comes to COVID symptoms and isolation. Please see the GOV website for current guidelines: <https://www.gov.uk/get-coronavirus-test>

If a member of your household has ANY of the listed symptoms then the whole household MUST isolate immediately and a PCR test must be booked for the symptomatic person. Children cannot attend school until a negative result is received. You should also inform the school if you know that your child has been in close contact with someone who has tested positive for COVID-19.

You can be a contact any time from 2 days before the person who tested positive developed their symptoms (or, if they did not have any symptoms, from 2 days before the date their positive test was taken), and up to 10 days after, as this is when they can pass the infection on to others.

**A close contact is defined as:**

- anyone who lives in the same household as another person who has COVID-19 symptoms or has tested positive for COVID-19
- anyone who has had any of the following types of contact with someone who has tested positive for COVID-19:
- face-to-face contact including being coughed on or having a face-to-face conversation within one metre
- been within one metre for one minute or longer without face-to-face contact
- been within 2 metres of someone for more than 15 minutes (either as a one-off contact, or added up together over one day)
- A person may also be a close contact if they have travelled in the same vehicle or plane as a case.

**Upcoming IPM (Individual Provision Map) Meetings** - Please note that all IPM meetings with Mrs Broome will be **online** and not face-to-face in school.

Class	Surf Day Date
Swordfish	Friday 9th July
Turtles	Friday 16th July

**Turtles/Swordfish Surf Days– Praa Sands Beach - £10 per child - payment via ParentPay - Payments/Letters are due the day before your child's designated surf day.** Children will need to be dropped to Praa Sands Beach from 9am and picked up at 3pm. Children will need to bring a packed lunch, towel and wetsuit (easier to wear this to the beach if possible - if they do not own one then Global Boarders can provide one).

Children who do not wish to attend the surf day will be taught in school as normal with any other children in their bubble who aren't going.

**Sports Day - Monday 12th July 2021** - We will be holding Sports Day this year but with a slight difference to incorporate the need for class bubbles. Please can all children wear their PE kit into school on this day and make sure they bring their water bottle. Sadly we cannot invite parents in to watch this year due to current Covid-19 guidelines.

**KS2 Chartwells Pasty Pre-Order - Sports Day** - Chartwells will be offering steak or cheese pasties/ sausage roll/ ham or cheese sandwich for sports day at £2.34 per child - these **MUST** be pre-ordered as we will not be able to provide them without. Please call the school office to pre-order on 01326 56249. Pre-Orders must be in by no later than **Thursday 8th July 2021**.

**UPDATE - Year 6 Leavers** - With the increase in local covid numbers and the closure of two class bubbles we have had to make the tough decision to review our plans for year 6 leavers. We have cancelled our trip to Flambards on Thursday 15th July and we will no longer have children to sleepover on the school field. We will still be having a BBQ with fun and games on the Thursday evening starting at 5pm and finishing at 9pm. We will still be going to Elemental in Swanpool on Friday 16th July as planned too. Refunds should now have been processed to parents for the transport cost and admission price of Flambards (should your child not have a season pass). We will be holding a whole school outdoor leavers assembly for the children on Wednesday 21st July - we will be unable to invite parents into school for this but will stream a live link to enable them to watch it. If you have any questions please contact us on 01326 562249.

**CANCELLED THIS WEEK - TUESDAY 6TH JULY - Outdoor Toddler Group - Limited spaces - Every Tuesday - 1:20-2:20pm - £1 per family - Booking essential - Please contact the school office to book your space** - Forest school activities, snack provided for children. Children will need to wear old clothes and bring coats. Parents will need to bring their own hot drinks if they'd like one. If you have older children to pick up at the end of the school day then please feel free to stay and play in our Sensory Garden until pick up time.

**Year 3/4 (Current Year 2 & 3) BF Adventure Camp - Monday 20th to Wednesday 22nd September - All payments via ParentPay** - Thank you for all of the deposits we have received. The remaining balance will need to be settled by **Monday 13th September 2021** and payments can now be made via ParentPay. Any questions please contact the school office on 01326 562249.
