Wednesday 29th September 2021

Dear parents and carers,

I am sending a letter today from Public health England that outlines specific recommendations for schools in Cornwall to stop the spread of Covid-19 in schools. We have maintained all the measures that are shared in the letter including face masks in share spaces, limited mixing of groups and regular sanitizing.

I must draw your attention to the final paragraph where Pubic Health England states that children with sore throats fatigue or headaches should stay at home, isolate and take a PCR test. Work will be sent home at these times.

It is difficult to maintain social distancing on the busy playground at drop off and pick up times. The recommendations are that if you unable to maintain social distance it is sensible to wear a mask for your safety and the safety of others.

Thank you for your support in keeping our children and the school a safe place.

Mr. Duncan Ratcliffe
Executive Head teacher
