1st October 2021

Dear Parent / Carer,

We have been made aware of a positive Covid case within your child's bubble group. In line with new government guidance from 19th July, we will not be closing the bubble. However, if your child is identified by NHS Test and Trace as a close contact, your child will need to isolate for 10 days.

As previously communicated, we will continue our mitigations until the end of term – working in bubbles to minimise contacts, hand washing and sanitising surfaces and resources. As always, if your child has any symptoms please keep them at home and organise a PCR test.

Thank you for your understanding.

Mr D Clayden
