Responsibility Responsibility

You are responsible when you take care in completing tasks or jobs that you have said you will do. Being reliable shows that you care about the commitments and promises that you make; that you plan ahead and do the best that you can. Being reliable means others can count on you. It is being committed to the things you have agreed to do. You take responsibility for your commitments, and the outcomes of your actions and decisions.

Virtues -

This week's virtue is "Responsibility".

Nursery children will be due back on Thursday 9th September 2021 - Mrs Trounson will be completing home visits on Wednesday 8th July 2021.

Children due to move into Rainbowfish Class in September 2021 should have received a letter with details of a transition session on Monday 6th September, home visit from Tuesday 7th to Friday 10th September 2021 and all children will start school on Friday 10th September 1-3pm and Monday 13th September 9-12pm. Key Stage 1

Seahorses - Seahorse class had a lovely time at Sports Day last week. They also enjoyed a virtual museum trip to the Maritime Museum in Falmouth where they learnt about Henry Trengrouse. They have also been busy writing diaries about their Sports Day in literacy. They were very excited to learn about money in maths and worked hard recognising the different coins. The children are having a lovely party today and we have some great costumes. The children are enjoying their last few days with Miss Warwick. Mrs Penrose would like to say a huge thank you from herself and the children and wish her all the luck for the future!

Turtles - What a great week. We started with Sports Day, although it wasn't ideal without parents being there we spent the whole day playing a variety of games. We tried to make it as fun as possible and as you can see from the photos on the google drive we had lots of laughs from the children. We also finished our week on the beach. We certainly picked a good day. Although there wasn't a lot of surf the children (and staff) had a great time in the water and playing games on the beach. Everyone joined in and it was lovely to see them enjoying themselves as a class. It just might take me a little longer than the children to recover! In between all of this, we did do some learning this week. We looked at capacity in maths and on Monday we are going to use this knowledge to make potions. The children also did some more printing in art and learnt some keyboard skills in ict (bbc dancemat is a great site if you want to have a go in the summer). In History, we also talked about a girl called Ruby Bridges, a 6 year old black girl who lived in the Southern states of America in the 1960. I was impressed by the level of questions the children were asking and their horror at what happened. We are hoping to have a bit of a chilled out week for our final few days - the children deserve it.

Key Stage 2

Year 3/4 - As the academic year draws to a close, we would like to take this opportunity to say a huge thank you for all your support through this most challenging year. Your children have shown how resilient they are and have approached everything with a smile on their face. They have all met their new teachers and there will be a transition period at the beginning of next year to help them settle into their new classes.

Any unnamed jumpers will be placed outside the Narwhals class for the last 2 days. Please have a look if you are missing any as many have names that are washed off and unreadable.

Year 5/6 - Year 5/6 have enjoyed making the most of this beautiful weather: from our festival of sport on Monday to our end of year celebrations for Year 6 on Thursday and Friday. Our children have continued to shine in all the activities they have taken part in this week, and as the year draws to an end we would like to say once again how proud of them we are. In a year that has brought many challenges for our young people, our pupils have shown great positivity and resilience, which has allowed them to progress in so many ways. We will be saying a fond farewell to our Year 6s at our leavers' assembly on Wednesday morning. This will be recorded and put online for you to view in the afternoon. Many thanks for all your support this year. Have a wonderful summer!
